Authorization for this examiner's amendment was given in a telephone interview with Mr. Justin Cassell on April 21, 2005.

The application has been amended as follows:

Claim 8, line 1, "3" has been changed to -1--.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claims 1 and 13 is the inclusion of the hook elements having a downward directed pen arranged to co-operate with a hole of the flange of the vertical scaffold element. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
